La Fleur Naturals - Away From Home Range

Our new tissue paper range is designed with the environment in mind. We've carefully crafted our products to minimize their ecological footprint, using sustainable materials and practices that reduce waste and conserve natural resources.

Our tissue paper products are made from responsibly sourced materials, ensuring that our supply chain supports healthy forests and ecosystems.

The result is a range of tissue products that are not only gentle on skin but also gentle on the planet. With our commitment to sustainability, you can feel good about choosing our products for your everyday needs.

Key eco-friendly features:

- Unbleached Tissue
- Reduced Water Consumption
- 30% less Greenhouse Gas Emissions
- Sustainable manufacturing practices
 - Tree Saving
 - Minimized wastage
 - Conservation of natural resources

(Responsibly made not of virgin pulp, but not of run-of-the-paper mill recycled paper, either)

- Responsibly sourced raw materials already in circulation
(No trees harmed in the process)
- Biodegradable
- Reduced Carbon Footprint

Join us in our mission to make a positive impact on the environment, one tissue at a time.
