

SAMS TISSUE PRODUCTS
(Pty) Ltd

Company Profile

SAMS TISSUE PRODUCTS (Pty) Ltd

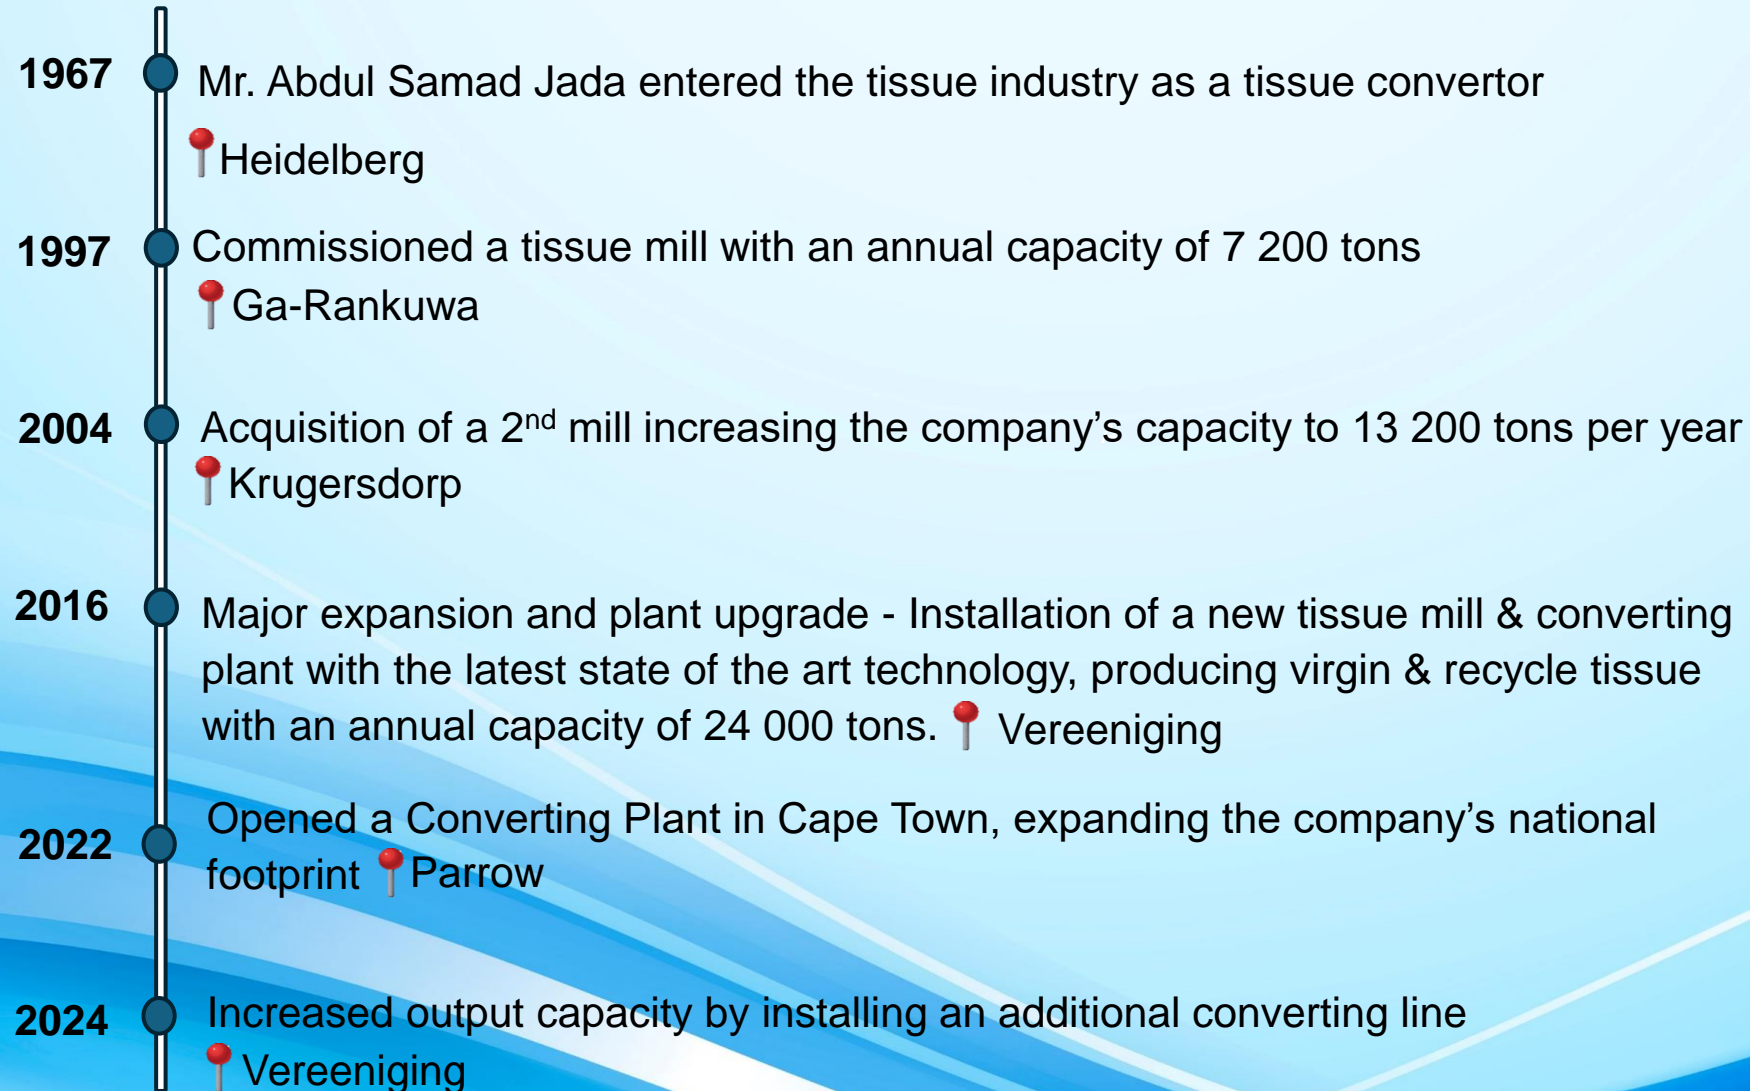

Sams Tissue Products , established in 1967, is a family owned and managed business, manufacturing tissue products and serving the South African and neighbouring markets.

We have a tissue mill and converting plant situated in Vereeniging, as well as a converting plant in Cape Town, complementing our national footprint

Our mill produces virgin and recycle jumbo tissue reels, and we convert them into user end tissue products
